

## Why Choose Basketball Camp?

Campers will receive individual skill evaluations and top-notch instruction on basketball fundamentals. They will also have the opportunity to compete for individual awards throughout the week (and get a free t-shirt!).

## Camp Objective

The objective of this basketball camp is to help each camper learn good sportsmanship and leadership skills, while developing individual basketball skills that will be integrated into various team play situations and concepts. We will also provide an environment where the faculty, staff and students will grow "in wisdom, and stature, and in favor with God and men."
